

Subject: Here's all the homework you have to do this week

Dear [Student's name],

I hope you're having a good week so far. In preparation for next week, here's a reminder of the tasks and homework you'll need to do. This should help you plan your time well and stay organised. Please don't hesitate to contact me if you have any questions or need clarification on any of the following:

For Tuesday you have the maths homework. You must do exercises 1 to 10 on page 45. For Wednesday you have the science project. You need to finalise the research on the assigned topic and start writing the first draft of the project. For Friday, don't forget the compulsory reading. That is, finish reading chapter 5 of the book "Title of the Book" and take notes on the key themes. Then for Thursday, you need to revise for the History Test by reviewing chapters 3 and 4 of the textbook and noting important dates and key events. And finally, for next Monday's Art project, continue the preliminary sketch of your project and prepare a list of the supplies you'll need.

Don't forget to plan regular breaks to maintain your concentration. If you have any difficulties or concerns about any of these tasks, don't hesitate to let me know. I'm here to help.

Good luck and have a great week!

All the best,

[Your Name]
